| 2  | <p>To complete Assigned Training, select <b>Assigned Training</b></p> <p>OR</p> <p>Search for courses via the <b>Search</b> box or blue <b>Catalog</b> tile.</p>                                                                                                                |    |
| 3  | <p>Select the name of the training you wish to complete.</p> <p>NOTE: If a green <b>Start</b> arrow appears next to the name, select the arrow and being the course.</p>                                                                                                        |    |
| 4  | <p>Select <b>Register</b> located underneath the <b>Activity Details</b> header.</p> <p><b>This step is key!</b></p>                                                                                                                                                            |   |
| 5  | <p>If you have a choice of activity <b>types</b>, such as “ILT Course” versus “eCourse” (“Activity 1” arrow will be white):</p> <p>Select the <b>white space or the blue icon – not the name</b> of the activity you prefer.</p> <p>“Activity 1” arrow will now be colored.</p> |  |
| 6  | <p>The activity you choose will be highlighted.</p> <p>Select the blue <b>Next</b> button.</p>                                                                                                                                                                                  |  |
| 6a | <p>Note: Sometimes additional modules will appear below the activity you chose. Usually they will automatically be selected for you, however, if the <b>Next</b> button is not selectable, you may have to select each module.</p>                                              |  |
